

The United States Would be Harmed by Withdrawing from NAFTA

By raising the costs of exports and imports, a U.S. withdrawal from NAFTA would make American businesses and farmers less competitive, resulting in losses of jobs and production in all 50 states and exports from all 50 states to Canada and Mexico.

Jobs Are Lost

-1.8 million

Estimated number of U.S. jobs lost if NAFTA is terminated

Exports Drop

-17%

Estimated decline in U.S. exports to Canada and Mexico if NAFTA is terminated
